

# COVID Policy 2021

## **Anyone with symptoms of Covid-19 coronavirus MUST NOT enter the site**

With the restrictions lifting on Monday 19th July please read our new COVID Policy. We ask you to respect other guests and our team by:

- Please keep to social distancing and respect other peoples' space.
- Please wear a mask in the shop
- Please leave promptly after your fun on the water has finished - sorry, please ensure there is social distancing room for everyone

## **Government changes as of July 19th Open as normal *but***

- We will restrict numbers on the Aqua Park to less than 75% capacity
- All bookings must be made in advance, via our website online or by telephone
- Waivers must be completed online before arrival
- Do not arrive more than 45-minutes before your booked session (if you arrive too early, you may be required to leave the site and return later)
- Regularly use the Hand Sanitiser Stations available throughout the site
- Respect other guests' & our team's space, you must social distance to a minimum of 2 metres at all time
- Arrive "ready to go" or change in car/carpark, leaving bags etc in your car.
- Please use the toilet before attending, as we would prefer attendees not to use the limited toilets that will be open – if you do need to use a toilet here, you will be required to clean it before and after use
- Stay within your skill level and comfort zone avoiding unnecessary risk of injury
- Leave promptly at the end of your activity
- We are sorry there can be no picnics at the lake this summer
- Our booking system will reflect the COVID restrictions, however owing to the flexibility of the Roadmap we may need to amend bookings subject to the Government Guidelines
